

Palm Coast Historical Society and Museum

Membership in the Palm Coast Historical Society supports your museum, operating costs, and in an existential way, the people who volunteer their time to make it all happen.

We all know the difference we make when we say *we support you* and appreciate everything you are doing. It is a game changer.

We are so happy to offer you the 10% discounts, the supreme lecture series, the Zoom lectures, the museum with our City's history, and a place to call if you have a question.

We want you to know that we appreciate you and thank you for your support in whatever form that looks like and is comfortable for you. We all play different roles in this world. We are glad you are connected to the historical society world. We will work to make you proud of that connection.

Please consider the new BOGO option. Some folks do not know we exist and in sharing a membership you help spread the word about how important we are and the benefits of having a historical society in our city. Therefore, we sent our life members the form too. Everyone can help.

Here are some of the volunteers who always seem to be having a good time! Truth is we do enjoy the work and the company.

Best Wishes for a Happy and Healthy 2021. The PCHS Team
